

MARINE DEBRIS

It's not just an eyesore...

It's a threat
to fish, seabirds and marine mammals...

And it can foul your prop!

The MCA FOUNDATION wants to know where marine debris accumulates in Alaska to plan future cleanups and **YOU CAN HELP.**

Report sightings of marine debris:

- Location and GPS coordinates
- Description of debris
- Estimated amount

E-mail reports and photos to marinedebris@ak.net
Or phone us at (907) 523-0731

Learn more on the web at: www.MCAFoundation.org

Thanks for helping reduce marine debris!

Report hazardous materials directly to the US Coast Guard at
1-800-424-8802.

This notice was prepared by the Marine Conservation Alliance Foundation with funding provided by award number NA07NOS4630139 from the National Oceanic and Atmospheric Administration, U.S. Department of Commerce.
